^{*&}lt;u>Urgent Care is Defined:</u> Same day treatment for illness and minor injuries including after-hours care or when unable to access your Primary Care Provider. All follow-up care must be with your Primary Care Provider, otherwise Plan authorization is required.

^{**&}lt;u>Urgent Care Copayment:</u> Some urgent care facilities require payment for care rendered at the time of care and will not bill your insurance carrier. If you pay for the service, submit a copy of your receipt to the Plan and the Plan will reimburse you, minus your copayment.
